The Opportunity

The Thunder Bay Art Gallery is seeking two dynamic and enthusiastic instructors to lead a summer of art camp programming in an inspiring creative environment. Successful candidates will have the opportunity to share their passion for art and education while developing their teaching skills as they plan lessons, teach fine art techniques, guide gallery visits, and lead art based play both in Gallery and outside. Knowledge of visual arts techniques and/or education experience is an asset.

The Thunder Bay Art Gallery's Summer Art Camp program is a popular high-quality arts and culture experience for children and youth. Camp participants develop visual literacy and critical thinking skills as they explore art history, engage with Indigenous and contemporary Canadian art in the gallery spaces, and learn about diverse art making practices. While discovering new artistic techniques participants have fun learning hands-on skills, and build their creativity and problem-solving ability.

The Thunder Bay Art Gallery is uniquely positioned in Northern Ontario as a cultural institution with significant regional, provincial, and national profile. The Gallery has grown steadily over the last 45 years and is at a crucial stage of growth and advancement as we prepare to move into a purpose designed facility on Thunder Bay's beautiful waterfront that will more than triple our operating and programming space.
